Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the District of Columbia Unemployment Compensation Act, approved August 28, 1935 (49 Stat. 946), as amended (title 46, ch. 3, D. C. Code, 1951 edition), is further amended as follows:

Section 1 (b) (2) (B) is amended by adding at the end thereof the following:

"Service shall be deemed to be localized within a State if—

"(i) the service is performed entirely within such State; or

"(ii) the service is performed both within and without such State, but the service performed without such State is incidental to the individual's service within the State, for example, is temporary or transitory in nature or consists of isolated transactions."

Section 1 (b) (4) is amended to read as follows:

Service on ves-
sels.

"(4) Notwithstanding any other provisions of this subsection, the term employment shall also include all service performed after the effective date of this amendment by an officer or member of the crew of an American vessel on or in connection with such vessel, provided that the operating office, from which the operations of such vessel operating on navigable waters within or within and without the United States are ordinarily and regularly supervised, managed, directed, and controlled, is within the District."

Section 1 (b) (5) is amended by adding at the end thereof the following subsections:

"(Q) service performed on or in connection with a vessel not an American vessel by an individual if he performed service on and in connection with such vessel when outside the United States;

"(R) service performed by an individual in (or as an officer or member of the crew of a vessel while it is engaged in) the catching, taking, harvesting, cultivating, or farming of any kind of fish, shellfish, crustacea, sponges, seaweeds, or other aquatic forms of animal and vegetable life (including service performed by any such individual as an ordinary incident to any such activity), except (A) service performed in connection with the catching or taking of salmon or halibut, for commercial purposes, and (B) service performed on or in connection with a vessel of more than ten net tons (determined in the manner provided for determining the register tonnage of merchant vessels under the laws of the United States)."

Section 1 (b) is amended by adding at the end thereof the following subsections:

Services in em-
ployment.

"(7) Notwithstanding any of the provisions of subsection 1 (b) (5) of this Act, services shall be deemed to be in employment if with respect to such services a tax is required to be paid under any Federal law imposing a tax against which credit may be taken for contributions required to be paid into a State unemployment compensation fund.

"(8) (i) Any service performed for an employing unit, which is excluded under the definition of employment in section 1 (b) (5) and with respect to which no payments are required under the employment security law of another State or of the Federal Government may be deemed to constitute employment for all purposes of this Act: *Provided*, That the Board has approved a written election to that effect filed by the employing unit for which the service is performed, as of

ploying unit.

the date stated in such approval. No election shall be approved by the Board unless it (A) includes all the service of the type specified in each establishment or place of business for which the election is made, and (B) is made for not less than two calendar years.

"(ii) Any service which, because of an election by an employing unit under section 1 (b) (8) (i), is employment subject to this Act shall cease to be employment subject to the Act as of January 1 of any calendar year subsequent to the two calendar years of the election, only if not later than March 15 of such year, either such employing unit has filed with the Board a written notice to that effect, or the Board on its own motion has given notice of termination of such coverage."

D. C. Code 46-301.

Section 1 (c) is amended by repealing subsection (1) and renumbering subsection (2) to be subsection (1) and subsection (3) to be subsection (2) and subsection (4) to be subsection (3).

Section 1 (h) is amended to read as follows:

"(h) 'Benefit year' with respect to any individual means the fifty-two consecutive-week period beginning with the first day of the first week with respect to which the individual first files a valid claim for benefits, and thereafter the fifty-two consecutive-week period beginning with the first day of the first week with respect to which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with section 11 of this Act shall be deemed to be a 'valid claim' for the purposes of this subsection if the individual has during his base period been paid wages for employment by employers as required by the provisions of section 7 of the Act."

"Benefit year."

Post, p. 993.

Section 1 (m) is amended to read as follows:

"(m) 'Employment office' means a free public employment office or branch thereof operated by this or any other State as a part of a State-controlled system of public employment offices or by a Federal agency or any agency of a foreign government charged with the administration of an unemployment-insurance program or free public employment offices."

"Employment office."

Section 1 is amended by adding at the end thereof the following subsections:

"(t) The term 'American vessel' means any vessel documented or numbered under the laws of the United States; and includes any vessel which is neither documented or numbered under the laws of the United States nor documented under the laws of any foreign country, if its crew performs service solely for one or more citizens or residents of the United States or corporations organized under the laws of the United States or of any State.

"American vessel."

"(u) The term 'principal base period employer' means the employer that paid a claimant the greatest amount of wages used in the computation of his claim. In the event two or more employers paid the claimant identical amounts, the employer in such group for whom the claimant most recently worked shall be the principal base period employer."

"Principal base period employer."

Section 3 (c) (1) is amended by adding at the end thereof the following:

D. C. Code 46-303.

"Each year the Board shall credit to each of such accounts having a positive reserve on the computation date, the interest earned by such accounts from the Federal Government. This shall be done by averaging the interest rate paid for the four quarters ending on the computation date and crediting to each such account the amount which the reserve on such computation date would earn at such average rate of interest."

Interest on reserve.

Section 3 (c) (2) is amended by adding at the end thereof the following:

Notice of payment.

60 Stat. 527.
D. C. Code 46-303.

Transfer of business; successor.

"The principal base period employer shall be notified of each payment of benefits to a claimant at the time of such payment."

Section 3 (c) (7) (a) is amended to read as follows:

"(a) If 25 per centum or more of the business of any employer is transferred, the transferee shall be determined a successor for the purposes of this section.

"(i) If the Board is unable to get information upon which to determine whether or not 25 per centum of the business has been transferred, it may, in its discretion, make such determination based upon the quarterly payrolls of the employers involved for the last complete calendar quarter prior to the transfer and the first complete calendar quarter after such transfer.

"(ii) In the event of a transfer of 25 per centum or more of the assets of a covered employer's business by any means whatever, otherwise than in the ordinary course of trade, such transfer shall be deemed a transfer of business and shall constitute the transferee a successor hereunder, unless the Board, on its own motion or on application of an interested party, finds that all of the following conditions exist:

"(1) The transferee has not assumed any of the transferor's obligations;

"(2) The transferee has not continued or resumed transferor's goodwill;

"(3) The transferee has not continued or resumed the business of the transferor, either in the same establishment or elsewhere; and

"(4) The transferee has not employed substantially the same employees as those the transferor had employed in connection with the assets transferred."

Section 3 (c) (7) (c) is amended to read as follows:

"(c) The successor shall take over and continue the employer's account, including its reserve and all other aspects of its experience under this section, in proportion to the payroll assignable to the transferred business as determined for the purposes of this section by the Board. However, his successor shall take over only the reserve actually credited to the account of the transferor or for which the transferor has filed a claim with the Board at the date of transfer. The successor shall be secondarily liable for any amounts owed by the employer to the fund at the time of such transfer; but such liability shall be proportioned to the extent of the transfer of business and shall not exceed the value of the assets transferred."

Section 3 (c) (7) (d) is amended to read as follows:

"(d) The benefit chargeability of a successor's account under section 3 (c), if not accrued before the transfer date, shall begin to accrue on the transfer date in case the transferor's benefit chargeability was then accruing; or shall begin to accrue on the date otherwise applicable to the successor, or on the date otherwise applicable to the transferor, whichever is earlier, in case the transferor's benefit chargeability was not accruing on the transfer date. Similarly, benefits from a successor's account, if not chargeable before the transfer date, shall become chargeable on the transfer date, in case the transferor was then chargeable for benefit payments; or shall become chargeable on the date otherwise applicable to the successor or on the date otherwise applicable to the transferor, whichever is earlier, in case the transferor was chargeable for benefit payments on the transfer date."

Section 3 (c) (7) (f) is amended to read as follows:

"(f) Notwithstanding any other provisions of this section, if the successor employer was an employer subject to this Act prior to the date of transfer, his rate of contributions the remainder of the calendar

year shall be his rate with respect to the period immediately preceding his date of acquisition. If the successor was not an employer prior to the date of transfer, his rate shall be the rate applicable to the transferor or transferors with respect to the period immediately preceding the date of transfer: *Provided*, That there was only one transferor or there were only transferors with identical rates; if the transferor rates were not identical, the successor's rate shall be the highest rate applicable to any of the transferors with respect to the period immediately preceding the date of transfer. The rate of the transferor, if still subject to the Act, will not be redetermined and shall remain the rate with respect to the period immediately preceding the date of transfer.

"For future years, for the purposes of section 3 (c), the Board shall determine the 'experience under this section' of the successor employer's account and of the transferring employer's account by allocating to the successor employer's account for each period in question the respective proportions of the transferring employer's payroll, contributions, and the benefit charges which the Board determines to be properly assignable to the business transferred."

Section 3(c) (7) (g) is hereby repealed.

Section 3 (c) (8) (i) is amended to read as follows:

"(i) If as of the computation date the total of all contributions credited to any employer's account, with respect to employment since May 31, 1939, is in excess of the total benefits paid after June 30, 1939, then chargeable or charged to his account, such excess shall be known as the employer's reserve, and his contribution rate for the ensuing calendar year or part thereof shall be—

"(A) 2.7 per centum if such reserve is less than 0.9 per centum of his average annual payroll;

"(B) 2 per centum if such reserve equals or exceeds 0.9 per centum but is less than 1.4 per centum of his average annual payroll;

"(C) 1.5 per centum if such reserve equals or exceeds 1.4 per centum but is less than 1.9 per centum of his average annual payroll;

"(D) 1 per centum if such reserve equals or exceeds 1.9 per centum but is less than 2.9 per centum of his average annual payroll;

"(E) 0.5 per centum if such reserve equals or exceeds 2.9 per centum but is less than 3.4 per centum of his average annual payroll;

"(F) 0.1 per centum if such reserve equals or exceeds 3.4 per centum of his average annual payroll."

Section 3 (c) (10) is amended by substituting the word "thirty" for the word "fifteen" in the second and seventh sentences thereof.

Section 3 is amended by adding at the end thereof the following new subsections:

"(e) From December 31, 1939, to January 1, 1955, wages, for the purpose of section 3, shall not include any amount in excess of \$3,000 paid by an employer to any person arising out of his or her employment during any calendar year. After December 31, 1954, wages shall not include any amount in excess of \$3,000 (or in excess of the limitation on the amount of taxable wages fixed by the Federal Unemployment Tax Act (26 U. S. C. 1600, 1607), whichever is greater) actually paid by an employer to any person during any calendar year. After December 31, 1954, the term 'employment' for the purpose of this subsection shall include services constituting employment under any employment security law of another State or of the Federal Government.

(i) in lieu of contributions required of employers under this Act, the District of Columbia shall pay into the fund an amount equivalent to the amount of benefits paid to individuals based on wages paid by the District. If benefits paid an individual are based on wages paid by both the District of Columbia and one or more other employers, the amount payable by the District to the fund shall bear the same ratio to total benefits paid to the individual as the base-period wages paid to the individual by the District of Columbia bears to the total amount of the base-period wages paid to the individual by all of his base-period employers.

"The amount of payment required under this section shall be ascertained by the Board quarterly and shall be paid from the general funds of the District at such time and in such manner as the Commissioners of the District of Columbia may prescribe except that to the extent that benefits are paid on wages paid by the District from special administrative funds, the payment by the District into the unemployment fund shall be made from such special funds.

"(g) Contributions due under this Act with respect to wages for insured work shall, for the purpose of this section, be deemed to have been paid to the fund as of the date payment was made as contributions therefor under another State or Federal employment security law if payment into the fund of such contributions is made on such terms as the director finds will be fair and reasonable as to all affected interests. Payments to the fund under this subsection shall be deemed to be contributions for purposes of section 3."

Penalty for non-payment, etc.

Section 4 (c) is amended to read as follows:

"(c) (1) If contributions are not paid when due, there shall be added, as part of the contributions, interest at the rate of one-half of 1 per centum per month or fraction thereof from the date the contributions became due until paid.

"(2) If contributions or wage reports are not filed when due or contributions are not paid when due, there shall be added as part of the contributions a penalty of 10 per centum of the contributions, but such penalty shall not be less than \$5 nor more than \$25 and for good cause such penalty may be waived by the Board with the approval of the Commissioners of the District of Columbia."

Death, dissolution, etc., of employer.
Priority of claims.

Section 4 (d) is amended to read as follows:

"(d) In the event of the death, dissolution, insolvency, receivership, bankruptcy, composition, or assignment for benefit of creditors of any employer, contributions then or thereafter due from such employer under this section shall have priority over all other claims, except taxes due the United States or the District, and wages (not exceeding \$600 with respect to any individual) due for services performed within the three months preceding such event."

Charging off of accounts.

Section 4 (j) is amended by substituting the following:

"(j) The Board in its discretion, whenever it may deem it administratively advisable, may charge off of its books any unpaid account due the Board or any credit due an employer who has been out of business for a period of more than three years. Whenever an account is charged off by the Board, there shall be placed in the minutes of the Board a reason for such action."

Escrow account.

Section 4 (l) is amended by adding at the end thereof the following:

"There is hereby established in the Treasury of the United States a special escrow account into which the Board shall deposit all funds received in connection with an offer of compromise. Such funds shall be kept in such escrow account until final action is had upon the offer of compromise and shall not be subject to offset for any indebtedness whatsoever. In the event the compromise is approved, the funds shall be transferred to the District Unemployment Compensation Funds. In

the event the compromise is disapproved, the funds shall be immediately returned to the individual who made the offer of compromise."

For the purpose of this subsection, the term 'earnings' shall include only that part of the remuneration payable to him for such week which is in excess of 40 per centum of his weekly benefit amount for any week. Such benefits, if not a multiple of \$1, shall be computed to the next higher multiple of \$1."

"(f) **DEPENDENT'S ALLOWANCE.**—In addition to the benefits payable under the foregoing subsections of this section, each eligible individual who is unemployed in any week shall be paid with respect to such week \$1 for each dependent relative, but not more than \$3 shall be paid to an individual as dependent's allowance with respect to any one week of unemployment nor shall any weekly benefit which includes a dependent's allowance be paid in the amount of more than \$30. An individual's number of dependents shall be determined as of the day with respect to which he first files a valid claim for benefits in any benefit year, and shall be fixed for the duration of such benefit year. In addition such individual's total benefit amount shall be reduced in a sum equal to the number of weeks of disqualification multiplied by his weekly benefit amount."

In addition such individual's total benefit amount shall be reduced in a sum equal to the number of weeks of disqualification multiplied by the weekly benefit amount. In determining whether or not work is suitable within the meaning of this subsection the Board shall consider (1) the physical fitness and prior training, experience and earnings of the individual, (2) the distance of the place of work from the individual's place of residence, and (3) the risk involved as to health, safety, or morals."

Section 10 (f) is amended to read as follows:

All such payments of expenses shall be made by checks drawn by the Board and shall be subject to audit by the Commissioners of the District of Columbia in the same manner as are payments of other expenses of the District. Notwithstanding the provisions of this section and the provisions of sections 2 and 8 of this Act, the Board is authorized to requisition and receive from its account in the Unemployment Trust Fund in the Treasury of the United States of America, in the manner permitted by Federal law, such moneys standing to the District's credit in such fund, as are permitted by Federal law to be used for expenses incurred by the Board for the administration of this Act and to expend such moneys for such purposes. Moneys so received shall, immediately upon such receipt, be deposited in the Treasury of the United States in the same special account as are all other moneys received for the administration of this Act.
